MANAGEMENT INFORMATION CIRCULAR

As at and dated October 28, 2020 (unless otherwise indicated)

SOLICITATION OF PROXIES BY MANAGEMENT

This Management Information Circular (the “**Circular**”) accompanies the notice of an annual general and special meeting of shareholders (the “**Notice**”) and is furnished to shareholders holding common shares (the “**Shares**”) in the capital of Skychain Technologies Inc. (“**Skychain**” or the “**Company**”) in connection with the solicitation by the management of the Company of proxies to be voted at the annual general and special meeting of shareholders (the “**Meeting**”) to be held on **Tuesday, November 30, 2020, at 2:00 p.m.** (Pacific) at 1112 West Pender Street, Suite 415, Vancouver, British Columbia, or at any adjournment or postponement thereof.

Under Skychain’s Articles, a quorum for the transaction of business at a meeting of shareholders is two persons who are, or who represent by proxy, shareholders who, in the aggregate, hold at least 5% of the issued shares entitled to be voted at the meeting.

PROXIES

Management Solicitation

The solicitation of proxies by Skychain will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. Skychain does not reimburse shareholders, nominees or agents for costs incurred in obtaining from their principals’ authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and Skychain may reimburse such brokers and nominees for their related out of pocket expenses. The cost of this solicitation will be borne by Skychain. No solicitation will be made by specifically engaged employees or soliciting agents.

No person has been authorized to give any information or to make any representation other than as contained in this Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by Skychain. The delivery of this Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Circular. This Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxy

Registered shareholders are entitled to vote at the Meeting. A shareholder is entitled to one vote for each Share that such shareholder holds on the record date of October 28, 2020 on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy are directors and officers of Skychain.

A shareholder has the right to appoint a person or company (who need not be a shareholder) to attend and act for or on behalf of that shareholder at the Meeting or any adjournment or postponement thereof, other than the Designated Persons named in the enclosed form of proxy. To exercise the right, the shareholder may do so by inserting the name of such other person in the space provided in the form of proxy. Such person should bring photo identification to the Meeting.

A Proxy will not be valid unless it is deposited at the office of Endeavor Trust Corporation (the “Transfer Agent” or “Endeavor”) at 702 – 777 Hornby Street, Vancouver, British Columbia, V6Z 1S4, not less than 48 hours (excluding Saturdays, Sundays and statutory holidays in British Columbia and Ontario) before the time fixed for the Meeting or any adjournments thereof. Alternatively, the proxy may be delivered to the Chairman of the Meeting prior to the start of the Meeting on the day of the Meeting, or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the shareholder who is giving it or by that shareholder’s attorney-in-fact duly authorized by that shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual shareholder or joint shareholders or by an officer or attorney-in-fact for a corporate shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing: (a) executed by that shareholder or by that shareholder’s attorney-in-fact authorized in writing or, where the shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to Skychain at 1112 West Pender Street, Suite 415, Vancouver, British Columbia V6E 2S1, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Shares and Proxies and Exercise of Discretion by Designated Persons

A shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. **The Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.**

If no choice is specified in the proxy with respect to a matter to be acted upon, the proxy confers discretionary authority with respect to that matter upon the Designated Persons named in the form of proxy. It is intended that the Designated Persons will vote the Shares represented by the proxy in favour of each matter identified in the proxy.

The enclosed form of proxy confers discretionary authority upon the persons named therein in respect of amendments or variations to matters identified in the Notice or other matters that may properly come before the Meeting or any adjournment or postponement thereof. At the date of this Circular, management of Skychain is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Shares on any matter, the Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

NOTICE TO BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to those shareholders who do not hold Shares in their own name. Shareholders who do not hold their Shares in their own name (referred to in this Circular as “Beneficial Shareholders”) should note that only proxies deposited by shareholders whose names appear on the records of Skychain as the registered holders of Shares can be recognized and acted upon at the Meeting. If Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Shares will not be registered in the shareholder’s name on the records of Skychain. Such Shares will more likely be registered under the name of the shareholder’s broker or an agent of that broker. In the United States, the vast majority of such Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). Beneficial Shareholders should ensure that instructions respecting the voting of their Shares are communicated to the appropriate person well in advance of the Meeting.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the form of proxy provided to registered shareholders by Skychain. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) on how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of Shares to be voted at the Meeting. Beneficial Shareholders are requested to complete and return the voting instructions to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge’s dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote Shares directly at the Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have its Shares voted at the Meeting.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of his broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered shareholder and vote the Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Shares as proxyholder for the registered shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker’s agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting. Alternatively, a Beneficial Shareholder may request in writing that his or her broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote his or her Shares.

Management of Skychain does not intend to pay for intermediaries to forward to those who object to their name being made known to the issuers of securities which they own (called “**OBOs**” for Objecting Beneficial Owners) under National Instrument 54-101 - *Communications with Beneficial Owners of Securities of a Reporting Issuer* of the Canadian Securities Administrators the Meeting materials, and that in the case of an OBO, the OBO will not receive the Meeting materials unless the OBO’s intermediary assumes the cost of delivery.

All references to shareholders in this Circular are to registered shareholders, unless specifically stated otherwise.

- (a) was subject to an order that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or
- (b) was subject to an order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that

occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

Bankruptcies

To the best of management’s knowledge, no proposed director of Skychain is, or within ten (10) years before the date of this Circular, has been a director or an executive officer of any company (including Skychain) that, while the person was acting in that capacity, or within a year of that person ceasing to act in the capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold its assets.

To the best of management’s knowledge, no proposed director of Skychain has, within ten (10) years before the date of this Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

Penalties and Sanctions

To the best of management’s knowledge, no proposed director of Skychain has been subject to: (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with securities regulatory authority; or (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

Management of Skychain recommends the approval of each of the nominees listed above for election as directors of Skychain for the ensuing year. In the absence of contrary instructions, the Designated Persons intend to vote the Shares represented thereby in favour of the election to the Board of those persons hereinafter designated as nominees for election as directors. The Board does not contemplate that any of such nominees will be unable to serve as a director. However, if for any reason any of the proposed nominees do not stand for election or are unable to serve as such, proxies in favour of management designees will be voted for another nominee in their discretion unless the Shareholder has specified in his proxy that his/her/its Shares are to be withheld from voting on the election of directors.

Appointment and Remuneration of Auditors

Shareholders will be asked to vote for the re-appointment of Manning Elliott LLP, Chartered Accountants, (“Manning Elliott”), as the auditors of Skychain to hold office until the next annual meeting of the

Shareholders at a remuneration to be fixed by the board of directors. Manning Elliott has served as auditor since 2006.

Ratification of Stock Option Plan

At the annual meeting of shareholders of Skychain held on October 15, 2019, the shareholders ratified, confirmed and approved a stock option plan (the “Option Plan”) which reserves for issuance upon the grant of stock options a rolling maximum of 10% of the number of common shares issued and outstanding on the applicable date of grant. The purpose of the Option Plan is to encourage ownership of Skychain’s Shares by persons (“**Eligible Persons**”) who are directors, senior officers, and key employees of, as well as consultants and employees of management companies providing services to, Skychain. It is these individuals who are primarily responsible for the management and growth of Skychain’s business. Management hopes that the Option Plan will advance the interests of Skychain by providing additional incentive for superior performance by all eligible recipients.

The TSX Venture Exchange (the “TSXV”) requires all TSXV-listed companies who have adopted a stock option plan which reserves a rolling maximum of 10% of the number of common shares issued and outstanding on the applicable date of grant, to obtain shareholder ratification to the stock option plan on an annual basis. As at the date of this Circular, Skychain had 14,783,007 shares issued and outstanding so that a maximum of 1,478,300 common shares would be available for issuance pursuant to the stock options granted under the Plan. Currently there are no stock options outstanding under the Option Plan, leaving 1,478,300 common shares available for grant of further options. Accordingly, Skychain requests that the shareholders ratify, confirm, and approve the Option Plan.

The rules of the TSXV require that the annual shareholder ratification of the Option Plan be approved by the affirmative vote of a majority of the votes cast by shareholders represented in person or by proxy at the Meeting. Accordingly, at the Meeting, the shareholders will be asked to approve the following ordinary resolution (the “**Option Plan Resolution**”):

“BE IT RESOLVED, AS AN ORDINARY RESOLUTION OF THE SHAREHOLDERS OF SKYCHAIN, THAT:

1. the stock option plan (the “Option Plan”) of Skychain Mine Incorporated (the “Company”) ratified, confirmed and approved by the shareholders of the Company at the Annual General Meeting held on October 15, 2019 is hereby ratified, confirmed and approved;
2. the Company is authorized to grant stock options pursuant and subject to the terms and conditions of the Option Plan entitling all of the option holders in aggregate to purchase up to such number of common shares of the Company as is equal to 10% of the number of common shares of the Company issued and outstanding on the applicable grant date;
3. the board of directors of the Company (the “Board”) or any committee created pursuant to the Option Plan is authorized to administer the Option Plan and to make such amendments to the Option Plan from time to time as the Board may, in its discretion, consider to be appropriate, provided that such amendments will be subject to the approval of all applicable regulatory authorities and in certain cases, in accordance with the terms of the Option Plan, the shareholders; and
4. any one director or officer of the Company be and is hereby authorized and directed to do all such acts and things and to execute and deliver, under the corporate seal of the Company or otherwise, all such deeds, documents, instruments and assurances as in his opinion may be necessary or desirable to give effect to the foregoing resolutions, including, without limitation, making any changes to the Option Plan required by the TSX Venture Exchange or applicable securities

regulatory authorities and to complete all transactions in connection with the administration of the Option Plan.”

The form of the Option Plan Resolution set forth above is subject to such amendments as management may propose at the Meeting, but which do not materially affect the substance of the Option Plan Resolution.

Management of Skychain recommends that shareholders vote in favour of the Option Plan Resolution at the Meeting. It is the intention of the Designated Persons named in the enclosed form of proxy, if not expressly directed otherwise in such form of proxy, to vote such proxy FOR the Option Plan Resolution.

A copy of the Option Plan may be inspected at the offices of the Company during normal business hours until the date of the Meeting. A copy of the Stock Option Plan will also be available for review at the Meeting.

Approval of Control Person Resolution

The TSX Venture Exchange Corporate Finance Manual Policy 4.1 – Private Placements (“Policy 4.1”) requires that where a transaction creates a new “Control Person”, the approval of a majority of securityholders (other than such new Control Person) is required. A Control Person for the purposes of Policy 4.1 includes any shareholder or shareholders deemed to be acting in concert, hold 20% or more of the shares.

Bixia Liu and Walson Wang are deemed to act in concert by the TSXV and accordingly their shareholdings are combined for the purpose of determining a Control Person (the “Control Group”).

On July 17, 2019 Bixia Liu, spouse of a Director, Walson Wang, advanced \$160,000 to the Company for which the Company issued 190,000 shares @\$.10 per share, and a convertible Promissory Note (the “Note”) in respect of the balance of proceeds in an amount of \$141,000. The note is convertible into shares on the same basis as the private placement and earned interest of 3.5% per annum. It was determined the Note could only be converted to the extent the combined holdings of the Control Group remain below 20% of the issued shares unless approved by a majority of securityholders.

Upon conversion of the note including conversion of accrued interest the combined holdings of the Control Group consisting of Liu and Wang will increase from 2,389,949 or 16% to 3,861,139 shares or approximately 24% of Common Shares of the Company (including Common Shares of the Company held prior to the Note conversion), on an undiluted basis.

The Board believes that the creation of the Control Group consisting of Liu and Wang of the Company is in the best interest of the Company . In accordance with applicable securities laws, only the votes of disinterested Shareholders eligible to vote will be counted towards the approval of the Control Person Resolution (as defined below), and therefore the 2,389,949 Common Shares held by the Control Group will be excluded from the vote on the Control Person Resolution. Accordingly, at the Meeting, disinterested Shareholders will be asked to approve the following ordinary resolution approving the conversion of the Note and the creation of a new Control Person (the “Control Person Resolution”) as follows:

“BE IT RESOLVED, AS AN ORDINARY RESOLUTION OF THE DISINTERESTED SHAREHOLDERS OF SKYCHAIN, THAT:

1. the conversion of the Promissory note of \$141,000 plus accrued interest of \$6,119 into 1,471,190 Common Shares at a price of Cdn\$0.10 per Share is hereby approved;
2. the creation of a Control Person of the Company combining the holdings of Bixia Liu and Walson Wang, in accordance with Policy 4.1 of the TSX Venture Exchange Corporate Finance Manual is hereby approved;

3. any officer or director of the Company is authorized and directed to execute and deliver, under corporate seal or otherwise, all such documents and instruments and to do all such acts as, in the opinion of such officer or director, may be necessary or desirable to give effect to this resolution.

THE DIRECTORS OF THE COMPANY RECOMMEND THAT THE SHAREHOLDERS VOTE FOR THE CONTROL PERSON RESOLUTION.

Stock Option Plans or Other Incentive Plans

Skychain’s current Option Plan provides that the Board may, from time to time, in its discretion, grant to directors, officers, employees, consultants and other personnel of the Company and its subsidiaries or affiliates, options to purchase Shares. The Option Plan is a “rolling” stock option plan, whereby the aggregate number of Shares reserved for issuance, together with any other Shares reserved for issuance under any other plan or agreement of the Company, shall not exceed ten (10%) percent of the total number of issued Shares (calculated on a non-diluted basis) at the time an option is granted. As at the date hereof, there are 1,137,101 options outstanding under the Option Plan.

The TSXV requires all TSXV-listed companies who have adopted a stock option plan which reserves a rolling maximum of 10% of the number of common shares issued and outstanding on the applicable date of grant, to obtain shareholder ratification to the stock option plan on an annual basis.. At the Meeting, shareholders will be asked to ratify, confirm, and approve the Option Plan. See “Particulars of Matters to be Acted Upon – Ratification of Stock Option Plan”.

Terms of the Option Plan

The following summary is a brief description of the Option Plan:

Oversight and Description of Director and Named Executive Officer Compensation

Skychain relies solely on Board discussion to determine compensation paid to executives and directors, without any formal objectives, criteria, or analysis. As Skychain is still in the developmental stage as a junior mining company, Skychain's compensation program will rely heavily on the granting of stock options.

The long-term incentive program is intended to align the interests of the NEOs, directors, consultants, and employees with those of Skychain's shareholders over the longer term and to provide a retention incentive for each NEO. This component of the compensation package consists of grants of options to purchase common shares. Numerous factors are taken into consideration by the Board in determining grants of options, including: a review of the previous grants (including value both at the current share prices and potential future prices), the remaining time to expiry, overall corporate performance, share price performance, the business environment and the role and performance of the individual in question.

At present no incentive options or prerequisites are in place reference may be made to the table under **Director and NEO Compensation, excluding Compensation Securities**, as presented above.

Pension Disclosure

The Company does not have any pension, defined benefit, defined contribution or deferred compensation plan in place.

CORPORATE GOVERNANCE

National Instrument 58-101, *Disclosure of Corporate Governance Practices*, requires all companies to provide certain annual disclosure of their corporate governance practices with respect to the corporate

governance guidelines (the “**Guidelines**”) adopted in National Policy 58-201. These Guidelines are not prescriptive, but have been used by Skychain in adopting its corporate governance practices. Skychain’s approach to corporate governance is set out below.

Board of Directors

The Board currently consists of four (4) directors: Ningtao (Bill) Zhang, Tang Tang, Donald Gordon and Walson Wang.

The Guidelines suggest that the board of every listed company should be constituted with a majority of individuals who qualify as “independent” directors under section 1.4 of NI 52-110 which provides that a director is independent if he or she has no direct or indirect “material relationship” with the Company. A “material relationship” is a relationship which could, in the view of Skychain’s Board, be reasonably expected to interfere with the exercise of a director’s independent judgment. Of the Board, the following members are independent: Tang Tang, and Walson Wang; and the following members are not independent: Ningtao (Bill) Zhang as he is the CEO, and Donald Gordon, as he is the CFO of Skychain. An independent Director is expected to be appointed in the near future.

Directorships

No current directors of Skychain currently serve as directors of other reporting issuers:

Nomination of Directors

The Board determines new nominees to the Board, although a formal process has not been adopted. The nominees are generally the result of recruitment efforts by the Board members, including both formal and informal discussions among Board members and the Chairman of the Company. The Board monitors but does not formally assess the performance of individual Board members or committee members on their contributions.

Orientation and Continuing Education

Skychain does not provide a formal orientation and education program for new directors; however, any new directors will be given the opportunity to familiarize themselves with Skychain, the current directors and members of Management. Skychain also encourages and provides opportunities for new directors to pursue continuing education opportunities relating to their role as directors.

Compensation Committee

The Board has not, to date, constituted a compensation committee. The Board, as a whole, determines compensation; however, a formal process has not been adopted.

Assessments

Skychain has no formalised assessment procedures to satisfy itself that its directors, Board committee members and the Board as a whole are performing effectively

Ethical Business Conduct

The Board has adopted a written Code of Business Conduct and Ethics applicable to directors, officers, employees and consultants of Skychain to promote integrity and to deter wrongdoing with respect to the following issues:

1. Conflicts of Interest;
2. Protection and Proper Use of Corporate Assets;
3. Confidentiality of Corporate Information;
4. Compliance with laws, rules and regulations; and
5. Reporting of Illegal or Unethical Behaviour.

Any waivers from the code must be granted by the Audit and Finance Committee.

Other Board Committees

Skychain has one other standing committee, the Audit and Finance Committee. For additional information concerning the Audit and Finance Committee, please refer to the “Audit and Finance Committee” section of this Circular.
